### PROJECT OVERVIEW

### EQUIPMENT REQUESTED (Click the product name for more details)

#### SIDE EXTRACTION

- Mobile Battery Extractor (MBE)
- Automatic Transfer Carriage (ATC)
- Battery Transfer Carriage (BTC)
- Walkie Transfer Carriage (WTC)
- Single Level Battery Extractor (BE-SL)
- Double Stack Battery Extractor (BE-DS)
- Triple Stack Battery Extractor (BE-TS)
- Quad Stack Battery Extractor (BE-QS)

#### OVERHEAD EXTRACTION

- Powered Gantry Crane (PGC-PDC)
- Non-Powered Gantry Crane (PGC)

#### BATTERY STANDS

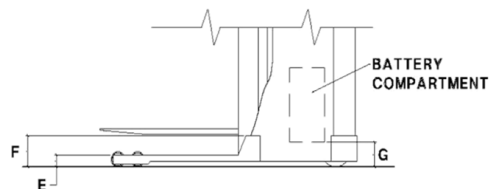

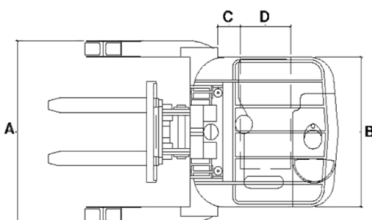

- Stands with Charger Shelves
- Stands without Charger Shelves
- Drip Pans
- AcidSorb Pillows

### FORKLIFT SPECIFICATIONS

Quantity	Make	Model	Roller Height	Rollers or Slides	Battery Removal	Outriggers*
A						
B						
C						
D						
E						
F						

### OUTRIGGER MEASUREMENTS (Reference diagram below)

Truck	Make & Model	Outrigger Width (A)	Truck Width (B)	Outrigger to Batt Comp (C)	Batt Comp Width (D)	Min Height of Outrigger (E)	Max Height of Outrigger (F)	Top of Rollers to Floor (G)
A								
B								
C								
D								
E								
F								

\*If Yes, then fill out corresponding row under Outrigger Measurements also.

**BATTERY SPECIFICATIONS** *(Battery A should match with Truck A)*

Quantity Stored	Make	Model	Size (L x W x H)	Weight (lb)	Total Batteries in Fleet	Batteries per Truck
A						
B						
C						
D						
E						
F						

**CHARGER SPECIFICATIONS** *(Charger A should match with Battery A)*

Quantity Stored	Make	Model	Size (W x D x H)	Weight (lb)	Mounting Via*	If Stackable, how high?	AC Voltage**	AC Amp Draw**
A								
B								
C								
D								
E								
F								

\* This field is required to determine charger layout.  
 \*\* Required when Charger Power Modules are being purchased.

**BATTERY ROOM INFORMATION**

Drawing Layout Required?

BHS Install?

What is the area available in feet (L x W)?

What is the clear ceiling height (feet) in the battery room/area?

Are there floor drains in the battery room?

Are there any other obstructions in the room/area?

Will existing battery handling equipment be incorporated into new system?

Select the area description from drop down:

**BHS ENGINEERING USE ONLY**

SF-9023 Required?  Yes  No

Approval Drawing Required?  Yes  No

Mfg Drawing #

Order Entry "L" Date

Host Truck Required

DIR/2-Tier/BSELV Spec
